

## Psychiatrist Staff specialist

### Where?

You will work in a Danish hospital with stable surroundings, attractive working conditions, possibilities for professional development, a better work-life balance and a future life and career in one of Europe's top welfare states, in Scandinavia.

### Who are we?

Medicolink will assist you in realizing the possibility of a job in Danish health care. Our approach focuses on the well-being and success of you and your family. Since 2007, Medicolink has proudly graduated more than 200 medical professionals from a wide range of EU countries to work and live in Scandinavia. At Medicolink's offices in Budapest (Hungary) and Ry (Denmark), we are a dedicated and still growing team with a recruitment focus on quality, not quantity.

### Our core values?

- Quality over quantity
- Respect
- Innovation
- Trustworthiness
- Flexibility

## Our offer

### Language learning

We offer you a free, intensive Danish language course from zero to B2 level in English. Our training is in Budapest and focuses on communication skills. The first 5 months are daily learning in a class structure and the last 2 weeks cover medical vocabulary via Skype teaching.

We also offer teaching for the spouses and for elder children.

You can participate in Extra Danish classes after arrival to Denmark.

### Authorisation process

We take care of the authorisation process for you, so you get your degrees domesticated in the host country, and you will be eligible to work there.

Authorisation fee and costs of translations are covered by Medicolink.

**If you want to know more about the open position, please contact our recruiter!**
